

Ovzon is revolutionizing mobile broadband via satellite with the highest bandwidth through the smallest terminals. Our end-to-end solutions meet the growing demand of global connectivity for customers with high performance requirements including Government, Media, Maritime, Aviation and NGOs.

The company was founded in 2006 and has offices in Stockholm in Sweden and Bethesda, MD and Tampa, FL in the United States. Ovzon is publicly listed on Nasdaq First North Growth Market.

Ovzon expands and is hiring to Europe and US Area Sales Managers

We are looking for highly motivated, result-driven Sales Professionals to actively seek out and engage customer prospects to expand our business. You will interact with the end users directly, as well as through our distributors and agents. You are our eyes and ears on the market, always seeking and finding new solutions and improvements to our products and services. You will work closely with other stakeholders inside and outside the company to continue build Ovzon.

Who are you?

You have a proven track record of successful international technical sales, preferably from selling services in the satellite or telecom business. We believe that you have a university degree in marketing/business and/or engineering. Excellent communication skills, both verbal and written, is a must as well as negotiation skills. Language and cultural skills in Spanish, Italian, German, and French is a plus. You are passionate about business and building long term relations with your customers. As a person you are highly motivated, and target driven as well as a team player.
