Ovzon receives ISO 9001 certification

Ovzon has received ISO 9001 for its quality management system. With a formalized quality management system in place, Ovzon is well positioned to serve customers in both the defence and commercial markets.

“The ISO 9001 certification highlights Ovzon’s commitment to deliver quality services and products to the industries we serve. With our certified quality management system in place and our recently presented Ovzon T6 terminal and the launch of our first own satellite, Ovzon 3, we are well positioned to serve our customer’s needs and to meet and exceed their expectations”, says Magnus René, CEO of Ovzon

FNCA Sweden AB, +46(0)8-528 00 399, info@fnca.se, is the company’s Certified Adviser.
